Moving to Our New Campus

A FEW IMPORTANT REMINDERS FOR FAMILIES

Evergreen Community will move to our new campus during the week of **May 4**. Families have already received detailed information by email, and we're sharing a few key reminders here as we get closer to this exciting milestone.

- Packing will take place in late April and early May, with staff support, bins provided, and an inventory completed for each resident
- Residents move on **Wednesday, May 6**, supported by familiar Evergreen staff
- Care routines will continue throughout the transition, with extra staff support in place
- Please take home valuables, medications, and highly sentimental items ahead of the move
- Evergreen Community will cover the cost of the moving company

We know transitions can bring mixed emotions, and our team is committed to making this move as smooth, supportive, and reassuring as possible for everyone involved.

This move represents an exciting new chapter for Evergreen, and our team will be alongside residents every step of the way. If you have questions or concerns, please contact the Evergreen team.

Festival of Baskets Donations

Festival of Baskets is the first fundraiser of 2026 benefiting the Resident Activity Fund, and families, friends, and community members are all invited to take part.

Participants can donate a themed basket or purchase tickets for a chance to win one of the many creative baskets on display.

Baskets can be as creative as you would like, with themes for all ages. Popular ideas include baby or kids baskets, teen favorites, adult or family-themed baskets, and hobby-based collections. Candy, toys, books, wine, snacks, sports items, and self-care favorites all make great additions.

If you would like to donate a basket, please drop it off at the front desk by **February 27** during regular business hours. Baskets will be available to view in the Community Room and online beginning in mid-March, when ticket sales open. All proceeds from the Festival of Baskets benefit the Resident Activity Fund and help support activities and experiences for Evergreen residents.

Questions can be directed to Patricia at 913-477-8211 or patriciah@ecojc.org.

Nonprofit Nugget: The Heart of Volunteerism

Volunteers play a meaningful role in daily life at Evergreen Community. As a nonprofit, Evergreen is strengthened by people who generously share their time, talents, and care. From helping with activities to bringing smiles through special visits and events, volunteers help create moments of connection that make Evergreen feel like home. Their presence reflects the power of community and reminds us that support comes in many forms, especially when people come together with a shared purpose.

Teamwork makes our community stronger.
