

EVERGREEN COMMUNITY

LEADER IN SENIOR LIVING

A Milestone Worth Celebrating Ribbon Cutting at Our New Campus

Evergreen Community proudly celebrated the ribbon cutting of our new campus on April 23, an exciting milestone in our history of serving older adults in Johnson County. It was a day filled with gratitude, celebration, and excitement for what lies ahead.

More than 200 guests attended, including Evergreen residents, family members, board members, team members, community supporters, and representatives from the Olathe Chamber of Commerce. Guests heard remarks from Olathe Mayor John Bacon, Olathe Chamber Representative Brent Hofelt, Belinda Vierthaler, and Chris Osborn before the official ribbon cutting outside.

Guests toured Independent Living, Assisted Living, Assisted Living Memory Care, and Skilled Nursing while enjoying a barbecue lunch prepared by the Evergreen kitchen. It was especially meaningful to see Evergreen residents and their families exploring new homes and shared spaces together.

We are deeply grateful to everyone who helped make this vision possible and to all who joined us to celebrate this special day in Evergreen's story.

Record-Breaking Attendance at the Ribbon Cutting

Secure Entry Reminder for Families and Visitors

As part of our ongoing commitment to safety at Evergreen Community, we want to share an important reminder regarding building access.

The doors into Evergreen are intentionally locked and require proper access to enter or exit. We kindly ask that families and visitors do not hold these doors open for others or allow individuals to follow you through.

While it may feel polite or helpful in the moment, it is essential that each person entering or leaving through these secured doors uses their own authorized access. Some individuals may appear familiar, but for safety reasons, we cannot make assumptions. This process helps ensure that everyone entering and exiting is accounted for and that Evergreen remains a secure environment.

We understand this may feel different from everyday habits, but it plays an important role in protecting Evergreen residents, visitors, and team members.

Thank you for your understanding and for helping us maintain a safe and secure community.

Bazaar Raises Funds for Resident Activities Thank You for Your Support

This year's Bazaar raised \$1,709.50 for the Resident Activity Fund.

Thank you to the Johnson County Young Matrons for organizing the event, and to everyone who donated and came out to support Evergreen Community. Proceeds help fund activities and events that enrich daily life for Evergreen residents.

We appreciate everyone who helped make it a success.

Nonprofit Nugget: Investing in Quality of Life

At Evergreen Community, care goes beyond meeting basic needs. As a nonprofit, we are able to invest in the extras that make everyday life more meaningful for Evergreen residents. This can include engaging activities, welcoming spaces, and opportunities to stay connected and involved. It also allows for flexibility to respond to individual interests and preferences in ways that feel personal and thoughtful. These added touches may seem simple, but they play an important role in creating a sense of comfort, purpose, and home. Support from donors and the community helps make these experiences possible.

Resident Choice matters every day.

PREPARING FOR THE MOVE TO THE NEW CAMPUS

We are excited for the upcoming move to Evergreen Community's new campus and look forward to welcoming Evergreen residents into their new homes soon.

As we prepare for the move, we ask for your patience during this busy transition. Our team is working hard to make the process as smooth as possible for everyone.

A few reminders:

- Maintenance team members will hang items on walls in the new building.
- If you bring new clothing, bedding, or personal items, please be sure they are labeled. If labeling is needed, please let your Life Coach know.
- We appreciate your patience as we work through the many details of the move.

Thank you for your support during this exciting time.
