

EVERGREEN COMMUNITY

LEADER IN SENIOR LIVING

Home at Last

THE COMMUNITY HAS COME TO LIFE

It's hard to believe we've already been in our new home for more than a month. Moving day on June 3 was an exciting milestone for Evergreen. While the move itself went smoothly, the days and weeks that followed required patience, flexibility, and a lot of hard work from many people. We are grateful to our families, volunteers, and staff members who gave extra time and energy to help residents get comfortable in their new surroundings. Also, thank you to everyone for your patience as we worked through the many details that come with opening a brand-new community.

Today, Evergreen feels very different than it did just a few weeks ago. Residents have settled in, familiar routines are taking shape, and activities are happening throughout the community. The dining rooms are busy, the courtyards are being enjoyed, and residents are making themselves at home. The community feels full of life, and it's been exciting to watch it come together over the past month.

If you haven't visited recently, we invite you to stop by. Have a cup of coffee in the café, take a stroll through one of our courtyards, or simply spend time with family and friends. There is always something happening, and we are always happy to welcome visitors.

Wine Down for Evergreen 2026

Wine Down for Evergreen returns Saturday, October 17, from 4 to 8 p.m. at the Ball Event Center in Olathe.

Please note that the parking area in front of the three-story Independent Living building (Creekside Reserve) is reserved for Independent Living residents. We ask that visitors use other available parking spaces during their visit.

In addition, please do not park in the parking lot at Canterbury Academy, located on the east side of the Evergreen campus.

Thank you for your cooperation and for helping us be good neighbors!

Nonprofit Nugget: How Donations Become Impact

When someone makes a gift to Evergreen Community, they may not always see the impact right away, but Evergreen residents benefit from it every day. Donations help support programs, activities, equipment, and enhancements that add comfort, engagement, and enjoyment to daily life. Whether it's a special event, a community gathering space, or an opportunity to try something new, donor support helps create experiences that go beyond basic care. As a nonprofit organization, every gift stays at Evergreen and helps strengthen the community for everyone who calls it home.

Kindness Matters.

Family Key Card Update

Thank you for your patience as we continue settling into our new community. Moving into a new building has involved many behind-the-scenes details, and we appreciate everyone's understanding as we work through each step.

One of our first priorities was issuing key cards to staff members so they could access the areas they need to provide care, respond quickly to resident needs, and keep daily operations running smoothly.

Family key cards are now ready for pickup. Please stop by the front desk and see Nina, Lisa (weekend nurse), or one of the life coaches to pick up your card(s). Thank you for your patience and support as we continue making our new community feel like home.

MOVING DAY!
