LEADER IN SENIOR LIVING

Wine Down for Evergreen

A NIGHT OF FUN FOR A MEANINGFUL CAUSE

Wine Down for Evergreen is just around the corner! Join us Saturday, October 17, from 4 to 8 p.m. at the Ball Event Center in Olathe for an evening benefiting Evergreen's Good Neighbor Fund.

Hosted by FOX4 Kansas City's Joe Lauria, Wine Down will feature dinner, drinks, live music, and silent and live auctions. Tickets are \$75 per person, and tables are also available.

The Good Neighbor Fund is an important part of Evergreen's nonprofit mission. It helps residents who have outlived their financial resources continue to receive the care and support they need. Donations to the fund go directly toward helping residents, rather than buildings, administrative expenses, or overhead.

We hope you'll join Evergreen families, friends, and community supporters for a fun evening that makes a difference for Evergreen residents.

There's still time to get your tickets! Scan the QR code, or visit www.ecojc.org, click News and Events, and follow the link to purchase tickets or reserve a table.

FLU SEASON REMINDER

As flu season begins, we recommend that visitors and family members who have not received a flu vaccine wear a mask while visiting Evergreen. Our seasonal masking period is October 1 through March 31.

For your convenience, masks are available at the entrance to each neighborhood. Thank you for helping us support a healthy environment for Evergreen residents, visitors, and staff.

An Elegant Evening to Remember

Elegant Evening on September 24 was such a fun night, and we loved seeing so many family members and friends join Evergreen residents for the celebration!

Thank you to everyone who attended and helped make the evening special. We also want to recognize our staff and volunteers who helped with preparations, decorations, serving, photos, and all the work that went into the event.

Most of all, it was wonderful to see Evergreen residents dressed up and enjoying an evening with family, friends, and neighbors. Thank you to everyone who helped make Elegant Evening a night to remember!

Nonprofit Nugget: Here for the Long Term

Being a nonprofit means Evergreen Community is focused not only on the needs of today, but also on the future. Decisions about our campus, programs, services, and resources are made with long-term sustainability in mind. That means thinking about what Evergreen residents need now while preparing to serve older adults and their families for years to come. Our mission provides that steady direction, helping Evergreen grow and change while staying true to the purpose that has guided our community for generations.

A Quick Reminder About New Clothing

When bringing new clothing items for an Evergreen resident, please let the neighborhood Life Coach know. This allows us to label and inventory new items to help keep clothing organized and make sure belongings are easily identified.
